

To provide a better user experience and make information easier to find, we have made the following changes to ClinRegs:

Country profile section revisions

- **Authorizing Body** section renamed **Oversight of Ethics Committees**
- **Trial Initiation** section renamed **Initiation, Agreements & Registration**
- **Insurance** and **Compensation** sections combined into **Insurance & Compensation**
- **Quality, Data, & Records Management** section divided into:
 - **Risk & Quality Management**
 - **Data & Records Management**
 - **Personal Data Protection**
- **Trial Authorization** and **Compensation Disclosure** sections removed to eliminate duplicate information provided in other sections

Other enhancements

- Share, Comment, and Print options are now more accessible within each country profile section
